Tips & Tricks

Diapers – They are preferred in the clear Garbage bag, but may go in the green Organics bag on weeks the clear Garbage bags are not collected.

Pet Waste – This is preferred in the clear Garbage bag, but may go in the green Organics bag if there is no plastic attached.

Ropes, Cables, Wire – To prevent mechanical sorting equipment from becoming entangled and breaking, place these items in the clear Garbage bag.

Soft Plastic – Any soiled soft plastic, cereal or cracker bags, chip and snack bags, stretch wrap/film, soft plastic packaging, soft plastic wrap, cheese and sandwich meat packaging belong in the clear Garbage bag.

Special Waste Never put these items in your regular household waste, bring them to our Depot at the Solid Waste Facility or visit our website for other disposal details

Special Waste

For Household Hazardous Waste, tires or waste from construction and demolition projects
see flip side, visit our website at eco360.ca or call our Information Hotline (506) 877-1040

Bags may not be picked up for the following reasons:

- Wrong colour of bag for the week
- Waste not placed in acceptable bag
- Bag contains hazardous waste
- Bag is too heavy
- Homeowner is clearly not making an effort to properly separate their waste

Tips & Tricks

Paper towels, napkins and tissues are compostable – Please place them in your green Organics bag.

Pizza Boxes – Remove any crusts or leftover cheese and place the box in the blue Recyclables bag and the paper in the clear Garbage bag.

Food Containers – Empty and rinse metal and plastic containers with cold water and place in the blue Recyclables bag. **As long as nothing will leak, drip or spill out onto the rest of the recyclables, it's clean enough for us!**

Want to help do more for the environment and divert more from landfill?

Ropes, Cables, Wire – To prevent mechanical sorting equipment from becoming entangled and breaking, place these items in the clear Garbage bag.

We prefer diapers and pet waste in the clear Garbage bag – However, in weeks with no clear Garbage bag pickup, these can be placed in the green Organics bag.

Leaves & Yard Waste – Although we prefer and recommend organic material be placed in green or certified compostable bags, **orange and paper bags with leaves and yard waste only will be picked up.**
