

WE'RE IMPROVING TO SERVE YOU BETTER!

As part of our on-going effort to provide better services and reduce our carbon footprint, we have made a number of improvements to our operations. These upgrades will reduce wait times, increase waste diversion, and improve the safety of our customers. They include :

- **Newly expanded** public drop off.
- **New** scale software with additional scale and kiosks to increase traffic flow during busy periods.
- **New** fair-minded fee structure with free disposal for some items and reduced fees for other items.
- **Safer** environment for both customers and staff.
