

WE STRIVE TO SERVE YOU BETTER!

As part of our on-going effort to provide quality services and keep our carbon footprint to a minimum, we work hard to ensure our operations are of the highest efficiency. We offer reduced wait times, increased waste diversion, and a safe environment for our customers. This is made possible by:

- A friendly and welcoming Public Drop - Off which includes a Household Hazardous Waste Depot and a Glass Depot.
- A fair-minded fee structure with free disposal for some items and reduced fees for others.
- An environment where both customers and staff can feel safe and secure.
